RESORTS AND VILLAS

Elegant Resorts & Villas featured in AFR's Sophisticated Traveller

Elegant Resorts & Villas website has been referred to in the Sophisticated Traveller by the Australian Financial Review, as the place to go to book your Indian Ocean getaway.

Covering Maldives, Mauritius and the Seychelles, Elegant Resorts & Villas have been specialists in this area for more than 8 years, and have ongoing specials and value adds available for Agents to pass onto their clients.

"Selecting the most appropriate resort for a client can be overwhelming," said Ms Glenda McMillan-Andersson, Product Manager of Elegant Resorts & Villas. "We have focused on simplifying the destination and the choice of resort for our Travel Agents on our website and in our brochures."
